Vehicle History Report + Lien Check (BC)

Lien Check

- No lien records found in British Columbia.
- No lien records found in Québec.

How We Check for Liens

CARFAX Canada uses the VIN to search government records in each Canadian province and territory (excluding Northwest Territories) where the vehicle is currently registered and where it has historically been registered. We do not check for liens or title in any U.S. state.

If a VIN has no registration records in Canada, we cannot check for liens. We cannot guarantee lien checks on trailers, recreational vehicles or heavy-duty equipment.

Purchasers should always get written confirmation from vendors that there is no lien on the vehicle.

CARFAX Canada Canadian Lien Guarantee

If for some reason our lien check fails to accurately reflect the Canadian enforceable lien status of a vehicle at the time of the search, CARFAX Canada will reimburse the party that purchased the report and relied on it to their detriment to a maximum amount of (1) the value of the car (2) the value of the lien (3) Five Thousand Dollars Canadian (\$5,000.00), whichever is lower.

Accident/Damage

- There are no accidents/damage reported on this vehicle.

- This vehicle has been registered in the following locations in Canada (listed oldest to newest):

- In the province of Québec with Normal branding.
- In the province of British Columbia with Normal branding.

ICBC crashlover

The information provided by ICBC is a report of the vehicle status and the vehicle claim history. This report shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and returned
- wrecked vehicles that have been decommissioned and can only be used for parts

The vehicle status may not represent the vehicle's condition for a number of reasons, including a vehicle's vehicle that has not been reported to the I.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claim history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage amounts. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC did not deduct the claim. In addition, the vehicle information provided may not reflect the actual cost of repairs, the total cost of the vehicle that sustained the greatest type of repair, or indicate the primary area of damage. ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.

This vehicle history report is compiled from multiple data sources. It is not always possible for Carfax Canada LLC or its service data providers to obtain complete information on any one vehicle, for example, there may be more title, license, registration, identification, accident information, service records, recall information, odometer readings or other information which may not be reflected in this report. Carfax Canada and its service data providers make every effort to provide the most accurate and complete information possible, but we cannot guarantee the accuracy, completeness, or timeliness of the information. The information provided may not be up-to-date or may be incomplete. Carfax Canada and its service data providers do not assume any liability for any errors, omissions, or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle may be the subject matter of this vehicle history report, including problems, may not have been reported to Carfax Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next purchase. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in Carfax Canada's Conditions of Use and any Carfax Canada End User License Agreements as each may be amended from time to time by Carfax Canada. <https://www.carfax.ca/learn-more-about-our-privacy-policy-vehicle-history-reports>
