**ICBC Disclaimer**

The information supplied by ICBC is a report of the vehicle's status and the vehicle's claims history. Vehicle status shows whether a vehicle is qualified to be licensed and is used to track:

- vehicles sold by insurance companies as salvage
- salvage vehicles which have been rebuilt, inspected, and re-licensed
- wrecked vehicles that have been decommissioned and can only be used for parts

The vehicle status may not represent the vehicle accurately for a number of reasons, including a written-off vehicle that hasn't been reported to the B.C. vehicle registry or a vehicle with major damage that was repaired by its owner. The vehicle claims history is a report of vehicle damage and includes repairs paid by ICBC and outstanding damage estimates. It may be incomplete for various reasons, including the owner did not make a claim to ICBC or ICBC has denied the claim. In addition, the estimate information may not necessarily reflect the actual cost of repairs, list the area of the vehicle that sustained the greatest force of impact, or indicate the primary area of damage.

Consumers are encouraged to read ICBC's full statement of limitations at <http://icbc.ca/repairs/claim/requirements/limitations.html>. ICBC recommends the vehicle be inspected by a qualified mechanic to obtain a more complete assessment of the vehicle's condition.

This vehicle history report is compiled from multiple data sources. It is not always possible for Carfax Canada, ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brand, registrations, deductions, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to the vehicle are not reflected in this report. Carfax Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by Carfax Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an "as is" basis. Other data made available on the report that is the subject matter of this vehicle history report, including problems, may not have been reported to Carfax Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.
